

### **Remark**

The Applicant respectfully requests reconsideration of this application.

### **Objections**

**Office Action, Paragraph 1.** The Examiner had objected to the application under 37 CFR 1.172(a) for failing to establish an ownership interest in the patent for which reissue is being requested. Specifically, the "Statement Under 37 CFR 3.73(b)" submitted by the Applicant was not received by the Examiner as of the date the Office Action was mailed. Since that time, as stated in the Interview Summary dated June 21, 2000, the certification has resurfaced. As the Examiner is now in possession of the certification, the Applicant respectfully requests that this objection be withdrawn.

### **35 U.S.C. §251 Rejections**

**Office Action, Paragraphs 2.** The Examiner has objected to the application under 35 U.S.C. §251 as being based upon a defective reissue declaration under 35 U.S.C. §251. In particular, the Examiner states that it the reissue declaration is defective because it fails to: 1) contain the statement required under 37 CFR 1.175(a)(1) as to applicant's belief that the original patent is wholly or partly inoperative or invalid (Office Action, paragraph 7); 2) identify at least one error which is relied upon to support the reissue application (Office Action, paragraph 8); 3) contain a statement that all errors which are being corrected in the reissue application up to the time of filing of the oath/declaration

arose without any deceptive intention on the part of the applicant (Office Action, paragraph 9).

Submitted herewith is a declaration executed in accordance with 37 CFR 1.175, and which the Examiner has stated will comply with the 37 CFR 1.175. As such, the Applicant respectfully requests that the Examiner withdraw his objection to claims 1-13 and 15-20 as being based upon a defective reissue declaration under 35 U.S.C. §251.

The applicant is also surrendering the original Patent, which is submitted herewith.

### **Conclusion**

The Applicant respectfully submits that the rejection and objection have been overcome by the newly executed declaration, and that the claims 1-13, and 15-20 are now in condition for allowance. Accordingly, Applicant respectfully requests the rejection and objection be withdrawn and the claims be allowed.

### **Invitation for a Telephone Interview**
